LE MAQUIS, A TIMELESS ESCAPE

Just a few hours from Europe's major capitals, Le Maquis welcomes you to a confidential and luxurious retreat, suspended between sky and sea, nestled in a sheltered cove on the Gulf of Ajaccio.

The only 5-star hotel in Corsica with its own private beach, it hosts your seminars and exclusive events throughout the year in an elegant and soothing private home atmosphere, right by the water.

Outside of peak season, the southern light, the mild climate and the surrounding silence transform every stay into a rare experience. A renowned gourmet restaurant, heated indoor and outdoor swimming pools, along with attentive, bespoke service, enhance the experience. Everything here contributes to creating a complete break from everyday life.

The privatisation of the venue transforms each event into a privileged interlude, where discreet luxury, serenity and operational excellence come together to guarantee unforgettable moments, tailor-made and meticulously orchestrated, combining inspiration, sharing and the art of living.

A FAMILY STORY, THE ART OF HOSPITALITY

The story of Le Maquis is above all that of a family and a vision.

Founded in 1947, the house has been built up over the decades with patience, intuition and a loyalty to a certain art of living. From generation to generation, Le Maquis has grown without ever losing its soul: that of an elegant Mediterranean residence, shaped by time, encounters and a deep attachment to Corsica. Every space, every detail tells this unique story, one of continuity, emotion and respect for the place.

The art of hospitality is expressed here with naturalness and accuracy. Luxury reveals itself in the details as much as in the discretion of the service, the quality of listening and the consistency of attention. Present for many years, the teams cultivate sincere and deeply human hospitality. Each stay is tailor-made, in the spirit of a warm and welcoming home.

ELEGANCE IN COMPLETE PRIVACY

The 25 rooms and suites at Le Maquis are designed as living spaces, offering privacy, comfort and a feeling of space. No two rooms are alike: each has its own personality, atmosphere and privileged connection to the sea or the gardens just outside. This diversity allows guests to enjoy a different experience with every stay, while rediscovering familiar touchstones.

The intimate ambiance, the harmony of the surroundings and the attention to detail immediately create a natural sense of belonging. Le Maquis is quickly made one's own, inviting guests to wander around as if at home.

Spread across several buildings and floors, the rooms exude a warm Mediterranean elegance. Antique furnishing, refined fabrics, wooden shutters, natural materials and soft tones come together to create a soothing décor. Almost all rooms open onto a private terrace or balcony, inviting guests to enjoy the light, the scents of the maquis and the views of the Gulf of Ajaccio.

The suites offer generous, sometimes spectacular volumes, of up to 140 sqm. Lounge areas, office corners, light-filled bathrooms, whirlpool baths and jet showers extend moments of relaxation. Some, located closest to the sea or in elevated positions, offer exceptional panoramic views of the Sanguinaires Islands and their magical sunsets.

Designed as true havens, the rooms and suites combine charm, functionality and modern comfort, for soothing stays, whether dedicated to pleasure, work or shared moments.

A MEDITERRANEAN TABLE, IN TUNE WITH THE SEASONS

Gastronomy holds a central place at Le Maquis. At the restaurant L'Arbousier, guests discover Mediterranean cuisine inspired by Corsica, the immediate proximity of the sea and the natural rhythm of the seasons. More than just a hotel restaurant, L'Arbousier is a destination in its own right, appreciated both by in-house guests and a loyal local clientele.

In the dining room with its century-old beams or, in fine weather, on the large, shaded terrace overlooking the pool and the sea, the setting naturally invites conviviality and contemplation. Facing the Sanguinaires Islands, meals unfold at an unhurried pace, carried along by the light, the calm and the beauty of the panorama, from lunch to dinner.

For business meals, professional events or family banquets, as well as engagement dinners or weddings, the restaurant offers a wide selection of tailor-made gourmet and business menus, to meet your most specific needs (up to 70 guests).

The cuisine showcases seafood, the flavours of the maquis and local savoir-faire. Corsican recipes are interpreted with precision and lightness, in a spirit of controlled simplicity and respect for the produce. Fresh fish, seasonal vegetables, aromatic herbs and Mediterranean touches make up a clear, refined and generous menu.

The wine list extends this experience, with a careful selection of Corsican wines complemented by fine national references. At L'Arbousier, every meal becomes a moment of sharing, naturally part of the art of living of the house.

THE SETTING FOR EXCEPTIONAL MOMENTS

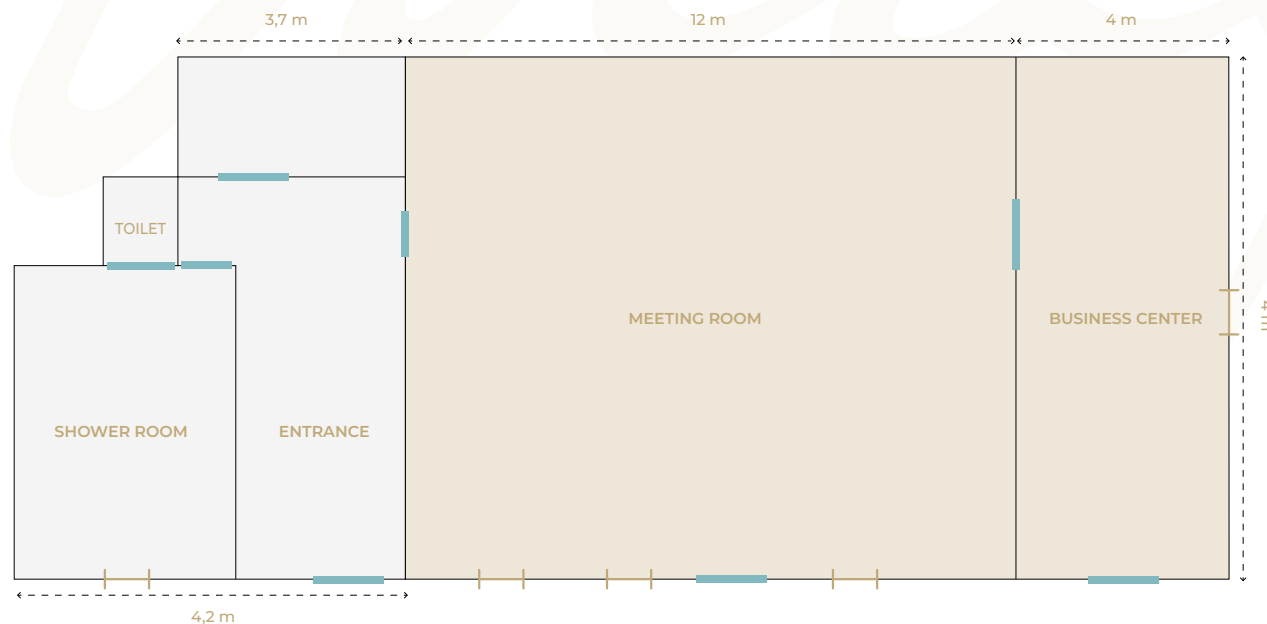

Le Maquis welcomes you for intimate-scale events, designed to be real moments of sharing. Here, the elegance of the venue naturally complements the freedom to imagine unique moments. Intimate weddings, family celebrations, birthdays or professional meetings find a rare setting, between the sea, gardens and secluded cove.

The layout of the house allows for tailor-made events, in a spirit of fluidity and coherence. Terraces opening onto the Mediterranean, gourmet restaurant, cosy lounges and outdoor spaces lend themselves to a wide range of settings, from convivial lunches to more formal dinners and extended evenings watching the sunset.

For professional meetings, Le Maquis offers a calm and inspiring environment. A bright, fully equipped and modular meeting room enables efficient working while preserving the quality of the experience. Moments of exchange are naturally enhanced by gourmet breaks, meals by the sea or activities promoting cohesion.

Partial or total privatisation of the hotel allows for a fully personalised experience.

Supported by attentive and experienced teams, your events here take on a confidential and human dimension, creating lasting memories shaped by the unique atmosphere of Le Maquis.
